Sutton February 15, 1902.

I have examined the accounts of the Treasurer of the School District of Sutton, for the year ending Feb. 15, 1902, and find them correctly cast and vouchers for all payments

JOHN T. MERRILL, Auditor.

Report of Schools.

Citizens of Sutton School District.

Again we come before you with our annual report of school proceedings. Each division has had the privilege of having twenty-four weeks of school. On account of the age of some of the pupils and bad travelling, the winter term in the Old South Division was shortened eight days.

The Highland Division, instead of three terms continued the fall term, by request of the parents, to twelve weeks, when it closed. Also, by request, the Center Division was lengthened two weeks, from the Mary Eaton fund.

The North Division, by the interest and generosity of the parents maintained a private term of six weeks, which we think was very commendable and hope to see the effort duplicated in other divisions.

Thirteen different teachers have labored faithfully in our schools and we feel that their efforts have been crowned with good success.

Cora B. Keyser, of the Eaton division, completed the course of study required, very creditably and received her diploma. There has been one change in text books, that of "The Mother Tongue" in place of Raub's Grammar.

While there has been loud criticism of the change by some, we notice a decided improvement in the real work of the pupils.

The repairs have been much lighter than they would have been, if the help, engaged several times, had not disappointed us. There are some very much needed repairs the coming year, especially at the Centre, South and Eaton division.

Respectfully Submitted,

MARY E. BAILEY,	}	School
